## NEW SHOPPING CENTER FOR ELBA IS CLOSER TO REALITY

The long-awaited and rumored shopping center for Elba moved a step closer to reality Tuesday night when representatives of Benson Company of Geneva and Sidco Inc. of Doha appeared before the Elba City Council to explain their plans to construct a "strip" center on property now

owned by the Elba City School Board. The property would contain a 30,000 square foot TG & Y store and a 15,000 square foot Piggly Wiggly super market plus additional stores to be announced.

Mr. L. S. Rainer, Jr., introduced the visitors and explained to the council that he was interested in the community growing and new businesses coming to town, but that he had a selfish interest also, and that was on behalf of The Peoples Bank. Rainer explained that the proposal was for the bank to get the existing Piggly Wiggly building to remodel for their bank, and to demolish

bank building to the City of Elba for use as a city library or whatever they deem necessary. Rainer explained that the property swap would have to be approved by the City Council, School Board, and by the Elba Housing Authority.

Before the school board can

sell the property, they must get the OK from the housing authority, due to deed restrictions that expire in 1982. Thus the board would demolish the land to this city and the city would demolish the property to the bank for the existing bank building and \$9564.25 in cash. The bank would then demolish its vacant school property and an undisclosed amount of cash to Benson for the existing Piggly Wiggly building. Some of the exchange methods were for the expressed purpose of keeping federal taxes as low as possible.

The entire exchange, building and remodeling could be completed within eighteen months of approval, according to Rainer and Arthur Morris of the Benson Company.

Mr. Rainer explained that the value placed on the bank building was the depreciated value of the building and not necessarily the appraised value. He said the bank was not trying to make a profit on the sale of the building to the city.

Steve Simmons, president of Sidco, Inc., the developer, showed the councilmen drawings of the 3.94 acres of land and the proposed design of the buildings. He noted that it was a \$800,000 project, would employ at least 76 people when completed, would net from \$75,000 to \$100,000 in sales tax and would create business for other merchants by helping make Elba a regional trade center. He said management of TG & Y expected a \$3 million gross within two years, due to the

perfect central location of Elba for such a regional center. Simmons said this proposed TG & Y would be double the size of any in the surrounding area.

Mr. W. T. Benson of Geneva was present at the meeting and explained the center would be owned by his family and leased to the stores. He noted his long association with Elba, dating back to the time "Old Town" was centered around the local railroad depot and including his years of operating the old Federated Store and then opening the Piggly Wiggly.

School Superintendent Elmer Taylor spoke up and said the idea would be good for Elba. He was an excellent idea, and would help the school through increased sales tax, but he was concerned about the added traffic near the school. He was told that a fence would be constructed along Dixie Street and the only access to the center would be from the highway. It was also noted that the busiest hours for the shopping center would be different from the time school children were going and coming from school. Simmons explained that they had come to the city council first because "you have got to have support of city hall for any project."

The city council unanimously voted to approve the project if it was approved by the other boards involved, and later passed a motion to write the school board and the housing authority urging them to support the transaction.

## COURTHOUSE TO BE CLOSED ON OCT. 23

Coffee County citizens wishing to buy car tags or pay their property taxes will have to skip Monday, October 23, since the courthouse offices concerned with these matters will be closed in observance of Veterans Day.

Probate Judge James Sawyer said this week that his office, the Tax Assessor and Tax Collector will close on this fourth Monday as had been done in the past.

Sawyer noted that during tax buying time, these offices will be open all day from 9 until 5 including lunch, and from 8 until Noon on Saturdays.

## Suspended Elba Police Chief Demands Retractions

A certified letter received by Mayor Robert Folsom from Attorney George E. Trawick, on behalf of suspended Police Chief M. W. Johnston made several requests of Folsom.

The letter demanded that Folsom publicly retract "charges, matters or utterances" made about Johnston.

It included demands to retract statements made to the council about Johnston being subordinate, failed to account for fines, had been discharged for misconduct.

Folsom had told the Department of Industrial Relations that Johnston had been discharged for misconduct, etc.)

The letter demanded that within five days Folsom publish in a public place a full and fair retraction of such

charges. The letter indicated that Johnston would be satisfied if Folsom simply makes such full and fair retraction of such charge or matter at a public meeting of the Council, those charges made to the council; also a full and fair retraction in writing, with copy to be sent to Mr. Johnston or Trawick, of charges made to the city clerk or other city employees.

Any other manner of retraction would be accepted by Mr. Johnston as long as it satisfied the requirements of Title 6-5-186 of the Code of Alabama, according to the letter.

The final paragraph reads, "We feel it only fair to call to your attention that unless

## Council Hires Dennis Smith As New Recreation Director

The Elba City Council met Tuesday night with a full house of visitors. Actually, at one time, there were over twenty people in the halls that could not get into the meeting room. They either listened from the door until the item they were interested in had been discussed or waited for someone to move out of the room before taking the empty seat.

The main item of interest to the visitors was the proposal to hire Dennis Smith as recreation director. A large number of elderly citizens were present to express their support of Bo Dunaway, who was jointly handling the recreation and also the nutrition program. Also present were several members of the American Legion. They had previously written a letter to the mayor supporting Dunaway and were present to express their thanks to Dunaway for the excellent care he had taken with the Legion building, as it was being used for both nutrition program and recreation.

Dunaway spoke to the council and was strongly critical of some members of the council, indicating they were trying to "get Bob Folsom" by getting rid of Dunaway. Several times during his talk Dunaway was interrupted by applause from his supporters. Dunaway stated that the councilmen didn't know what they were talking about when they discussed the recreation equipment and that they had not budgeted the recreation program properly during the past. Apparently in response to a statement by a councilman that Smith could handle the job with one CETA worker, Dunaway said that one man couldn't keep up the recreation department.

After he had finished his talk the council voted on a motion by Councilman John W. Sharpless to table any action until the next meeting. The vote was 4-2, with Councilmen Jimmy Wise and Mike Russell opposing the action to table. However, later in the meeting at the request of Sharpless, the matter was brought back up, and Dennis Smith was hired at a salary of \$10,000. Also the City Clerk was raised to \$13,500 from the present \$11,500, and the police chief (or acting chief in this case) was raised to \$10,400. Smith will begin work on November 1st. He will also have the use of a city vehicle on his job, which is something furnished to Dunaway recently.

The final decision to hire Smith was not made until after Mayor Folsom asked the council to get together and work out something the city could afford. After some informal discussion and battling around several proposals, the council and Mayor Folsom were unanimous in their support of the action to hire Smith.

Folsom was asked by the council to offer Dunaway the position of Street Superintendent at a salary of \$800 per month, a \$120 increase over his present salary. He would continue to supervise the nutrition program in this new position.

The council heard a request from the School Board and the parents forum that the city recall the 1965 gasoline tax bond issue and reinstate them to acquire additional funds for repair of the high school. Superintendent Elmer Taylor explained the need for some local effort to show state authorities the local interest to insure part of the nine mil-

lion of bond money to be dispensed by state officials.

Joe Ben DeVane, a member of the parents forum, explained that all they wanted was a commitment from the city that they would reinstate the bonds if necessary to gain access to additional state funds.

This was approved on a motion by Councilman Cleo Hawkins. The council rejected all bids on renovation of the old National Guard Armory and instructed the city clerk to re-advertise the project with some added requirements.

Three new people were appointed to the industrial board for five year terms. They are Bob English, Merrill Shirley, and Clayton Hickman. They were appointed to replace three

## Dear Parents,

There are some citizens in Elba who deserve special recognition for excellent service in our community. Four such ladies are Mrs. Betty Layton, Mrs. Janice Daugherty, Mrs. Nancy Morrow, and Mrs. Linda Vaughn. They have volunteered in the elementary school to help in areas to relieve bookkeeping duties, assist in physical education activities, and direct music sessions with the children.

Mrs. Layton participates three days each week with Grade 1 students in the physical education program. She accompanies the teacher in supervising and directing activities. This is tremendously important as it gives higher adult per pupil ratio. Children need this kind of input from caring citizens like Mrs. Layton.

One area where community volunteers can be really utilized is bookkeeping. Monday and Friday mornings are particularly busy for the teacher

MRS. MORROW, seated, helps teacher Mrs. Mary Grider with lunch money, etc.

who has to collect lunch and sales money. It is well known that the best instructional time is early morning while

the mind is refreshed and ready to receive. If a dependable volunteer will collect and record monies, the teacher is free

to greet students and start them on a creative course for the day. Mrs. Morrow has volunteered to do this for one of the Grade 1 teachers and I've had excellent feedback of how much this helps to promote a good learning environment for these students. All the teachers need a helper in this area with special emphasis on pre-school and early grade levels.

Mrs. Janice Daugherty has helped in the office for several weeks now. Mr. Bruce and Mrs. Baxley commented what a valuable asset she is to the school already. She sticks with the job and sees it through. All monies collected in the classroom must be accounted in the office. Sometimes a job as small as selling pencils or paper to students can alleviate some office congestion. These small tasks have been done in the past by the principal and office staff. Every little job well done, with enthusiasm, by a community volunteer gives school personnel more instructional time.

Mrs. Linda Vaughn gives music instruction to two classes each week. She is a profes-

MRS. LAYTON assisting students at PE

sional music teacher and enjoys sharing her knowledge with the children. The teacher enforces what the children are given during this session throughout the week. Our children will benefit from this program and we would like to see this available to every class. It takes community

volunteers to make this happen. There are several ladies who volunteer to work with the 4-H program in the Middle School. Mrs. Daugherty related the sense of satisfaction she has gained in working in this area as well. The county has a good program planned

for our students but need more interested workers. It would be great to have some of our community please contact me or the school principal. You need never feel bored or lonely in Elba. There is much to be done and we need you, so do the children!

## BRAINSTORMS

WITH FERRIN COX

Elba youngsters participated in the annual Pump, Pass and Kick state playoffs last weekend and did a creditable job. They didn't win a single first place award, but they didn't finish last in a single category either. We salute these young athletes.

The school folks went back to the city council Tuesday night asking for money. This is the third or fourth time they have asked that the gasoline tax bonds be recalled and reassessed for a larger amount. The current bonds are for a very low interest rate and new ones would double the interest (and this is to gain only about \$250,000). We have editorially opposed this move in the past and see no reason to change now. We feel we should take what state money we can get and rebuild the high school step by step, as with the present rebuilding of the lunchroom; then when more money is available, take another step forward on the school. Also, all this time we are paying off the present bond issue at a low rate interest. To the credit of the city council, they didn't openly embrace the idea, but said they would, if getting state construction funds hinged on this money.

The Yankees won the World Series with my blessings. I never know what is happening in baseball until the series comes around. Then I get all involved and try to remember who plays for what team. By the time the six or seven games are over I am ready to talk about anything but baseball. Now I am full of advice about paying certain players more money, etc. (Greg Nettles impressed me a whole bunch).

The Elba City Council showed some rare harmony Tuesday night when they voted unanimously to hire Dennis Smith, a graduate recreation specialist, as recreation director. We have been very careful not to get involved in making this decision for them, but have said and will say again - We feel he is well qualified and we welcome him and offer our full support of his efforts. We especially salute Mayor Robert Folsom for sticking to his word on the voting. He sat in our office and said he would support the hiring if the members of the city council were unanimous in their decision. Tuesday night they were, and he stuck by his word and voted with them. He promised and delivered.

Friday night at the half of the Elba-Ashford game one of the game officials mentioned something that he felt would be a good quote for the paper. It seems he was near the Ashford players' bench when a penalty flag was thrown on a long punt return. When someone asked the Ashford coach about the penalty he reportedly said, "I don't know but it can't be against us because we didn't block anyone." Sure enough he was right, the penalty wasn't against his team!

Alabama politics are again heating up. Monday, Congressman Dickinson will be in Elba soliciting votes for the November election. Donald Stewart is scheduled to be in Enterprise in a couple of weeks. Jim Martin was there last week, and "Walter Wendell" Mitchell tried to be everywhere. We gather from the news releases that Mitchell is bringing in the big national Democrats to help him, and Martin is rounding up the big name Republicans to hit the stump for his cause. My prediction is that these out of state politicians will only serve to hurt the candidates rather than help. Alabama voters just don't like someone telling them who to vote for in any election.

Heddy and I had an invitation to be the guest of Auburn University this weekend for a fancy lunch and the football game. We didn't plan to go and boy, am I glad. Monday I heard the game will be on the tube and I can lie back in the recliner, watch the game, eat home cooked food or sleep and be home the instant the game is over!

## LETTERS TO THE EDITOR

Many of the citizens in our community were looking forward to the annual fair during this week. However, due to a misunderstanding about the location of the fair, it was cancelled for this week. The Pilot Club has sponsored this event each year in an effort to raise funds for Operation Santa Claus, and will make every effort to bring the fair to Elba later in the season. We would like to apologize for the absence of the fair, and thank everyone for their support in our projects.

AGNES WILSON, President  
Elba Pilot Club

## HOSPITAL NOTES

### Elba General Hospital

Persons admitted to the Elba General Hospital during the period of October 10 through 16 include:

Frederick Smith, Mavis Parks, Eugene Edkins, Oscar Sasser, Terri Duncan, Kim Berry, Raymond Duncan, Otis Williams, Corne Daniels, Frances Henderson, James Capps, Scott Erb, Sue Bogan, Merlene Jowers, James Van DeCar, Raymond Cobb, Angell Robinson, Ronnie Smith, Cathy Holland, Glenda Bell, Dorothy Kelley, Lois Ellenburg, R. L. Martin, Cody Nelson, Wm. Wilson, Jessie Hughes, Leon Walker, Jack Smart, Hazel Gibbs, Ray Norris, Gerald Johnson, Lee Blackmon, D. J. Davis, R. L. Martin, Tommy Dewberry, John Asker, Forrest Parrish, Roger Moore, Manie Henderson, John Watson, Patricia Flowers and Dixon Dean.

Persons dismissed during the same period include: Charles Doss, Diane Andrews, Joseph Baer, Linda Pope, Bobby English, Michael Johnson, Zell King, Dana Dean, Betty Gaines, Demoina Grant, Sara Lee, Terri Hudson, Edna Douglas, J. W. Graham, James Capps, June Judah, Lurline Goodson, Marvin Nolin, Mary White, Otis Williams, C. C. Gibson, Kim Berry, Sara Carter, Fred Smith, Eugene Edkins, Angell Robinson, Raymond Duncan, Gladis Bell, Patricia F. Johnson, Eron Varnado, Frankie Cain, Scott Erb, Lizette Catrett, James VanDeCar, Oscar Sasser, Corne Daniels, Mary Bruce, Lois Ellenburg, Annabelle Wilkes, and Mavis Parks.

## Opp Chamber Establishing Hall of Fame

The Chamber of Commerce of Opp is establishing a "Hall of Fame" to honor citizens who have contributed to the growth and development of the city, the county or the state.

The initial induction ceremonies will be held Monday night, October 23rd at the Opp Middle School. Committee of the Chamber of Commerce have been working for several months on this project and it promises to be an outstanding event.

Qualifications for selection include being 65 years of age, retired for three years or deceased. Nominations were contributed by clubs, civic groups and individuals. Nine charter members were selected and the plans call for this to be an annual event, however no more than two people will be named each year.

After the charter members are the following: Lewis Childers, Alex Hart; Reuben By Jeffcoat; Dr. Aubrey Rutland Lee; Howard Nash Lee; Frederick Mordca; Charles Wesley Mizell; Grover Cleveland Pierce and Vernon Lafayette St. John.

Selected for charter members are the following: Lewis Childers, Alex Hart; Reuben By Jeffcoat; Dr. Aubrey Rutland Lee; Howard Nash Lee; Frederick Mordca; Charles Wesley Mizell; Grover Cleveland Pierce and Vernon Lafayette St. John.

Selected for charter members are the following: Lewis Childers, Alex Hart; Reuben By Jeffcoat; Dr. Aubrey Rutland Lee; Howard Nash Lee; Frederick Mordca; Charles Wesley Mizell; Grover Cleveland Pierce and Vernon Lafayette St. John.

## DEATHS

JOSEPH LEE DAVIS  
Joseph Lee Davis, age 80, of Elba, died October 11, 1978 at 5:00 p.m. in the Elba General Hospital.

Funeral services were held October 13, 1978 at 10:00 a.m. at the Hayes Funeral Home Chapel with Rev. Ned Young officiating. Burial services were held at the Bethlehem Primitive Baptist Church with Hayes Funeral Home directing.

Survivors include: Sons - Hollis Davis, Malcolm Davis, both of Elba; Wallace Davis, Opp; and Lem Davis, Monticello, Ala.; Daughters: Mrs. Verbie Holley, Mrs. Lois English, Mrs. Bessie V. Grimes, all of Elba; Brothers: J. B. Davis, David G. Davis, both of Elba, and Roy D. Davis, Columbus, Ga.; Sisters: Mrs. Fannie Tydings, Chattahoochee, Tenn.; Mrs. Della Daugerty, Columbus, Ga.; and Mrs. Olevia Moore, Opp, 18 grandchildren, 16 great-grandchildren and 1 great-great-grandchild.

FANNIE MAE BROWN  
Mrs. Fannie Mae Brown, 72, of Lanett, Alabama, died Wednesday afternoon, October 11, 1978, at Lee County Hospital after being in declining health for the past several years.

Funeral services were held Friday, October 13, 1978, at 2 p.m. at Providence Baptist Church, with Rev. Robert Crowder officiating. Burial was in Resthaven Memorial Gardens.

Survivors include two sons: Michael T. Brown of Lanett, and William P. Brown of Phenix City, Ala.; seven daughters: Mmes. Everett Price and John H. Mmes. Newman J. Carpenter and James Welton, both of Hagley, Mrs. James C. Meadows of Lanett, Mrs. John C. Thompson of Monticello, Ga., and Mrs. Herbert Griffith.

LUTHER OLIVER MADDOX  
Funeral services for Mr. Luther Oliver Maddox were held Sunday, October 8, 1978, at 1:00 p.m. at Woodland Grove Baptist Church on Rt. 1, New Brockton.

Burial was in the adjoining cemetery. Rev. Billy Gregory and Rev. Evans officiated.

Mr. Maddox was born January 23, 1902, in Coffee County. He was the 12th of 16 children born to the late General Francis Bartow Maddox. His mother was the late Sally Phipps Calhoun Maddox.

Mr. Maddox and his wife moved to Phenix City, Alabama, in 1943 to make their home and raise their family. He was a member of Woodland Baptist Church in Phenix City, and was a retired mill worker.

Survivors include his wife, Mrs. Mavis Peacock Maddox, a daughter, Mrs. Annie Laura Hannan, Phenix City; five sons: Johnnie E. Gerald, Joe Donald and James T. Maddox, all of Phenix City; Charles Edward Maddox, Columbus, Ga.; two sisters: Mrs. Cora Louise Reeves, Mrs. Ovie Daniels, both of Elba; five brothers - Jesse Copas, George Washington and Christopher Columbus Maddox, all of Andalusia, Bailey Reid Maddox, Phenix City; William Cornelius Maddox, Atlanta, Ga.; 14 grandchildren, and 1 great grandchild.

Funeral services were held Friday, October 13, 1978, at 2 p.m. at Providence Baptist Church, with Rev. Robert Crowder officiating. Burial was in Resthaven Memorial Gardens.

Survivors include two sons: Michael T. Brown of Lanett, and William P. Brown of Phenix City, Ala.; seven daughters: Mmes. Everett Price and John H. Mmes. Newman J. Carpenter and James Welton, both of Hagley, Mrs. James C. Meadows of Lanett, Mrs. John C. Thompson of Monticello, Ga., and Mrs. Herbert Griffith.

By: Rev. Jim Arbogast  
First Assembly of  
God Church, Elba

### A JOURNEY THROUGH THE WORD WITH JESUS

In GENESIS, He's the Seed of Woman -  
In LEVITICUS, He's the Great High Priest -  
In NUMBERS, He's our Pillar of Fire by night and Pillar of Cloud by day -  
In DEUTERONOMY, He's the Prophet like Moses -  
In JOSHUA, He's the Captain of our salvation -  
In JUDGES, He's the Great Lawgiver -  
In SAMUEL, He's our Kinsman Redeemer -  
In FIRST & SECOND SAMUEL, He's the Eternal Prophet -  
In FIRST & SECOND KINGS, He's the Lord of the Armies -  
In FIRST & SECOND CHRONICLES, He's our Rejoicing King -  
In EZRA, He's our Faithful Scribe -  
In NEHEMIAH, He's the Rebuilder of the broken walls of shattered lives -  
In ESTHER, He's our Heavenly Mediator -  
In PSALMS, He's our Chief Shepherd -  
In PROVERBS & ECCLESIASTES, He's our Wisdom -  
In THE SONG OF SOLOMON, He's our Lover and Bridegroom -  
In ISAIAH, He's our Mighty God, Everlasting Father and Prince of Peace -  
In JEREMIAH & LAMENTATIONS, He's the Weeping, Compassionate Prophet -  
In EZEKIEL, He's the Wheel in the middle of the wheel -  
In DANIEL, He's the Fourth Man in the fiery furnace -  
In HOSEA, He's the forgiving Husband -  
In JOEL, He's the Baptizer with the Holy Ghost -  
In AMOS, He's the Burden Bearer -  
In OBADIAH, He's the Wonderful Savior -  
In JONAH, He's the Great Missionary

He's the Faithful Shepherd -  
In FIRST, SECOND & THIRD JOHN, He's the Never-failing Love of God -  
In JUDE, He's the Lord Omnipotent -  
In REVELATION, He's the Eternal King of Kings and Lord of Lords; the Alpha and Omega; the Beginning and End; the First and the Last; the Lord God triumphant!

### El Bethel To Have Bazaar

The WMAs of the El Bethel Assembly of God Church are sponsoring their first bazaar on Saturday, November 4, 1978, from 9 a.m. to 4 p.m. The bazaar will be held in the El Bethel Church building, located on Highway 51, about 6-1/2 miles north of the Highway 187 and 51 intersection. Items will be on display in the old church building. Everyone is invited to come and browse.

### Zion Baptist Sets Homecoming

Homecoming will be held Sunday, October 22 at the Zion Baptist Church. The former pastor, Rev. Larry Coates, will be the guest speaker. The church is located on Highway 51, about 6-1/2 miles north of the Highway 187 and 51 intersection. Items will be on display in the old church building. Everyone is invited to come and browse.

## Coffee County Baptists Plan 71st Annual Meeting

The Coffee County Baptist Association will meet at the Lee Street Baptist Church in Enterprise, October 19 at 8:30 p.m., for the first session of a two day annual meeting - the 71st of the association. Rev. Larry Coates is the host pastor.

Approximately 300 elected messengers from the 45 co-operating churches in the association will fellowship, hear reports of work done during the past year, and transact business which will give impetus to the BOLD MISSION THRUST AND GOOD NEWS ALABAMA emphasis currently in progress. The theme, "Let the Church Be Bold in Mission Thrust" will be featured throughout the two day session. Guest speaker for the GOOD NEWS ALABAMA evangelistic emphasis will be Mr. Milton Lowndes, Computer and Central Services, Director of the Business Division of the Alabama Baptist State Executive Board, who will speak at 6:45 p.m. on Thursday, October 19.

GOOD NEWS ALABAMA is the effort of Alabama Baptists to share the Gospel with every person in Alabama and to give every person an opportunity to share in the ministry and witness of a New Testament Church of believers. Coffee County Baptist will be challenged to make this a reality when Dr. Don Ricks, pastor of the Open Door Baptist Church, will preach on the doctrine of Salvation at 8:45 p.m., Thursday.

BOLD MISSION THRUST will be the emphasis on Friday, October 20, at 9:30 a.m. when the second day's session meets with the Westside Baptist Church of Elba, Rev. Jimmy Brock is the host pastor. Preaching the missionary sermon during this session will be Dr. Frank Wells, pastor of the First Baptist Church, Enterprise. The church will be the "ground" for the messengers on Friday.

Both sessions of the annual meeting are open to the public and visitors will be welcomed.

An uncovered lemon peel will add to refrigerator odors and absorb its own fresh smell.

## COFFEE CONSERVATION

BY: BILL HUGHES

**BOW HUNTING FOR WHITE-TAILED DEER**  
Anyone who has pursued the wily white-tailed deer using a bow and arrow can tell a few stories of the white-tail's amazing ability to detect humans. Deer that have been hunted are experts at escape and evasion. Almost everyone living in deer country has seen at one time or another a deer at fairly close range, and a hunter has to be extremely careful when selecting a stand as deer can smell a hunter over a great distance and detect the slightest movement of a hunter through thick undergrowth. Always have the wind blowing from the direction which you expect the deer to come.

When still-hunting on the ground, doe and yearling deer will invariably come up the trail and spot you just before they get within range. You know what happens next. These deer will prance back into the brush and snort shrilly for several minutes announcing your presence to all other deer in the area. If possible, get off the ground and into a tree. Getting higher than a deer normally looks, greatly increases your chances of not being seen.

There are several types of portable tree stands available commercially that are light in weight, easy to use, and do not damage trees. A serious hunter should invest in one of these types of tree stands.

You can obtain information on land management practices that benefit deer from your local Soil Conservation Service in New Brockton.

I'd like to also mention those idle corners of those eroded areas on the farm that might be profitably planted to pines or cedar trees. The pine is a natural erosion control device, in that the needle shed days down a protective mat to prevent erosion. Pine trees planted in erodible areas should be planted at the rate of 100 trees per acre or a 6 x 6 spacing.

UNIT PRICING  
Does trying to figure whether the can that weighs six and one-half ounces is a better buy than the one that weighs eight and three-fourths ounces leave you feeling confused and frustrated? It easily can unless you're a mathematical genius.

The unit pricing system used in many grocery stores is the answer to your problems. Unit pricing makes it easier to compare prices by weight, volume or measure. It does the figuring for you by giving comparable products a price per common measure. For example, the common measure of cereal is an ounce.

Keep in mind that the unit pricing shows the comparable prices by amounts and does not consider differences in quality, appearance or nutrition. It doesn't take into account the use you have for the product or family preferences. These are factors only you, the shopper, can put the value on.

SEWING ON VELVETEEN  
Fall fashions are featuring lots of blazers, skirts and vests in velveteen. I've had several calls lately about sewing on velveteen - "Is it difficult?" and "Are there any special tips?" are typical ones.

One thing you need to remember is velveteen is a pile fabric, so it has to be cut and sewn with the pile running in one direction. To determine the direction of the pile, stroke the fabric surface as you would a kitten. The direction "with the nap" will

be the direction of the pile. The club also planned a light-bulb sale to be held in the near future for the purpose of raising money for their local sight program. The date of this light-bulb sale will be announced later.

Culver Post 42  
And Auxiliary Meet

The American Legion, Culver Post 42, and Auxiliary met Thursday night, October 12, 1978, at Legion Home on Troy Road for their regular monthly meeting.

After enjoying a fried chicken supper, Commander Charles Jackson called the meeting to order. Mr. Bow Dunaway gave a report of the accomplishments of the National and Recreational Programs and explained goals to reach. Adjutant Wayne Harrison was authorized to send a donation to the Department Headquarters to give Veterans Hospitals for their Christmas parties.

Final plans were made for District Meeting to be hosted by local Post on November 13, 1978.

Plans were made to participate in the homecoming parade. Past President Elaine Thompson announced that the Fall Color Parade of the Auxiliary would be held October 29, 1978, at Legion Home in Brundidge, and urged all members to attend.

Conference Program, and the political rally. He also thanked the City and County Government for their support.

## COFFEE COUNTY SOIL & WATER CONSERVATION DISTRICT ANNUAL REPORT 1978

The Coffee County Soil and Water Conservation District was organized in 1969. Prior to that time, Coffee County had been part of the six-county Wiregrass Soil Conservation District. Thus, we have just completed our nineteenth year of operation as a single-county district.

A Soil Conservation District is a legal subdivision of the State of Alabama, and operates under a certificate of incorporation granted by the Secretary of State. It is governed by a Board of Supervisors, consisting of five members, who are appointed by the State Soil and Water Conservation Committee.

It is the responsibility of the Board of Supervisors to see that an adequate soil, water and resource conservation program is carried out in Coffee County. In order to carry out this program, they must request cooperation from all local, state, and federal groups and agencies that can contribute funds, personnel, and other assistance. District Supervisors receive no salary and no federal funds. Their travel expenses are paid by the State of Alabama when they attend meetings to plan and promote the District program in the County and State.

### ACKNOWLEDGEMENTS

The accomplishments of all agencies, organizations, and private landowners contributed to the conservation of our natural resources in Coffee County are all too great to be

### SOIL CONSERVATION STAFF

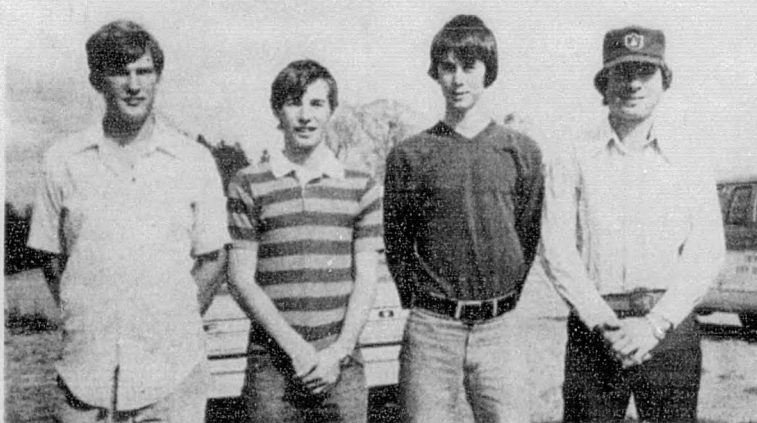

William B. Hughes, District Conservationist; Bill B. Faulk, Conservation Technician; James E. Clark, Conservation Technician; Janice Moates, District Secretary

### DISTRICT SUPERVISORS

Martin Moates, Chairman, Rt. 4, Enterprise; Charles Malory, Vice-Chairman, Rt. 1, Kinston; Robert English, Secretary-Treasurer, Rt. 3, Elba; Fred Clark, Member, Rt. 4, Elba; Martin Sanders, Member, Rt. 2, Brundidge

The Coffee County Soil and Water Conservation District sponsored the annual County Land Judging Contest and again provided prize money to the winning teams. Three FFA Chapters were represented this year in the County Contest which was held on the Charles Mallory farm in Kinston. The upper picture shows members and advisors from the chapters participating which were the FFA Chapters from Elba, Enterprise, and Kinston. The first place winner this year was the Kinston FFA Chapter; second, the Elba FFA Chapter; and third, the Enterprise FFA Chapter. Kinston then went on to win the Bi-District contest held in April and the right to represent Southeast Alabama in the State Contest. In June the Kinston Team represented the Southeast and will be winning first place in the State Land Judging Contest in Auburn. The lower picture shows the winning team members. Left to Right: Tim Wise, Arcola Lashley, Don Holley and advisor, Allen Thrasher.

**RESOURCE CONSERVATION ACT OF 1977:** The Coffee County Soil and Water Conservation District and the Soil Conservation Service co-sponsored a public meeting in June of this year. The purpose of the meeting was to bring farmers, public officials, and farm organizations together to discuss problems and concerns on conservation. The group was shown an explanatory slide set on the Resource Conservation Act and then were divided into small discussion groups. Each group listed problems and concerns in order of priority with the number priority of all the groups being water erosion. Pictured is one of the discussion groups being led by a District Supervisor.

listed in this report, but you are all respected by your fellow human beings for your progress in this area.

### ASSISTANCE AVAILABLE

Soil Conservation Service technicians assigned to the District are specially trained and experienced in techniques of conservation. At your request, they will help you plan the use of your land within its capabilities. And, they can provide the necessary technical help to put your plan to work. Your County Agricultural Stabilization and Conservation Committee may be able to give cost-shares on certain conservation measures on your land. This committee handles the Agricultural Conservation Program (AC), a locally managed cost-sharing service for landowners practicing conservation.

Once you have a conservation plan, the Extension Service will provide you with the latest information on crop varieties, soil testing, fertilizer, and up-to-date land use practices.

### 1978 ACCOMPLISHMENTS

1. Furnished banners to the winners in the Land Judging Contest, also presented the winner of the FFA District Contest with \$50.00.
2. Furnished 35 sermon booklets, 5000 sermon inserts, 10 posters and 4500 bookmarks to promote "Soil Stewardship Week".
3. Provided full-time secretarial assistance to SCS staff.
4. Purchased and distributed 500 stick-on calendars.
5. Published District Annual Report in two local newspapers, THE ELBA CLIPPER and THE ENTERPRISE LEADER with over 9000 copies distributed throughout the county.
6. Distributed approximately 1000 copies of Conservation Magazines to fourth grade students throughout Coffee County.
7. Had eight (8) representatives to the Regional Association of Conservation Districts meeting in Hilton Head, SC.
8. Had eight (8) representatives to attend State Association of Conservation Districts Annual Convention in Anaheim, CA. Mr. Sanders in the National Councilman to the NACD from Alabama. Mrs. Sanders represented the County Ladies Auxiliary.
9. Maintained a pipe supply for cooperators to purchase for use in farm ponds.
10. Held monthly meeting on 3rd Thursday at Bayley's in Enterprise.
11. Held no-till demonstration to keep farmers informed of the latest equipment and chemicals.
12. Prepared and published four newsletters.
13. Met with County FFA Chapters for the purpose of organizing and selecting a county-wide youth conservation board. Representatives from each chapter are to be selected.
14. District Supervisors recognized the need for a District Chapter to lead out in Soil Stewardship and other related activities in the county. They elected Rev. George Merritt to serve as District Chaplain.
15. District Supervisors met with FFA Chapters to establish awards and subject for Public Speaking Contest for 1978.
16. District Supervisors are cooperating with the National Weather Service in providing rainfall information during storm conditions.
17. The County Ladies Auxiliary sponsors a poster contest each year with fourth graders of city and county schools in Coffee County participating. First through third place winners are chosen among each school. From these winners, county winners are chosen. The county winners are awarded a cash prize and a ribbon. Each student who enters a poster is given a participation ribbon.
18. District purchased and distributed 30,000 bicolor lespedeza plants to landowners for wildlife plots.
19. District Supervisor, Martin Moates, was elected 1st Vice-President of the State Soil and Water Conservation Committee at the State Meeting held in Mobile, AL.

**IRRIGATION PONDS:** Ponds for irrigation have grown to be a very important practice in Coffee County. Many farmers have built ponds for a source of water supply. Some farmers have put their ponds to use for the past few months due to extremely dry weather in parts of Coffee County. Water is a valuable resource to us all and conservation is the key to our future water supply. Pictured above is Soil Conservation Technician, Jimmy Clark assisting landowners in application of conservation practices.

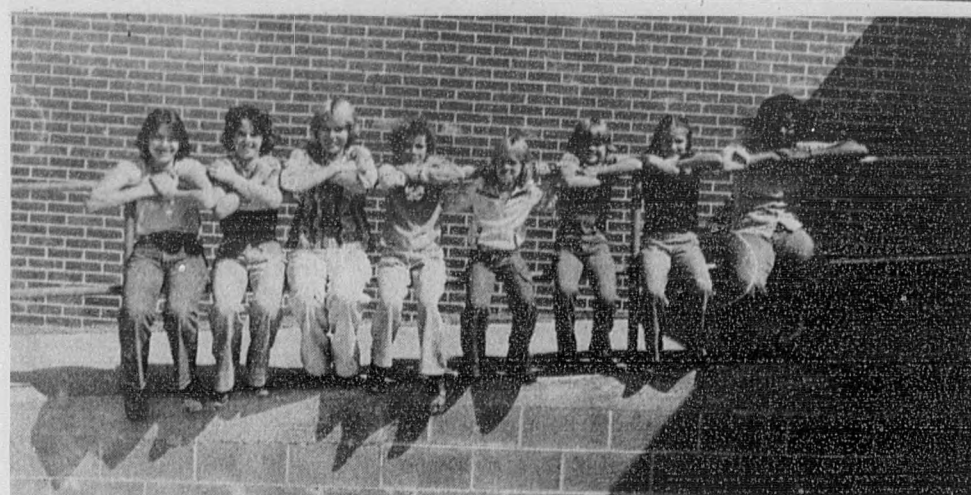

**GULLY CONTROL STRUCTURE:** Several landowners have used tile outlet gully control as a new method of stabilizing eroding gullies. Viletta Bailey, Mixon Farms, recently installed a tile outlet structure. Pictured is Soil Conservation Technician Bill Faulk assisting Mac Donaldson, Mixon Farms, foreman, in application of conservation practice.

Little League Homecoming  
Court-Tammy Killingsworth, Terry Shiver, Queen Teresa Armstrong, Ginger Routzong, Susan Nelson, Tammy Duncan, Queen Sheila Rugg and Debra Thrasher

### Little League Has Homecoming

On October 7, 1978, an event occurred that was the first in Zion Chapel's history and will be remembered for years to come -- our Little League had a homecoming. The elementary student body from the third to eighth grades selected Pee Wee Queen Teresa Armstrong and Termite Queen Sheila Rugg. Their attendants were Terry Shiver -- Seventh Grade; Tammy Killingsworth -- Sixth Grade; Ginger Routzong -- Fifth Grade; Susan Nelson -- Fourth Grade; and Tammy Duncan -- Third Grade. After the football games which were both won by Zion

Termite football players Scotty Chancellor, Kenny Clements, Bobby Hill, Ashley Jirright, Doug Stephens, Steve Nelson, Gregory McClain, Richie Rugg, Bill Clements, Brian McCloud, Darren Grant, Chris Sanders, David Johnson, Joseph Jirright, Tessa Fausner, Roland Bell, Randall Barr, Edwin Parker, Michael Flowers, Wayne Martin, Jamie Stephens, Ricky Paul.

### Little League Pulls Out Big Win Over Straughn

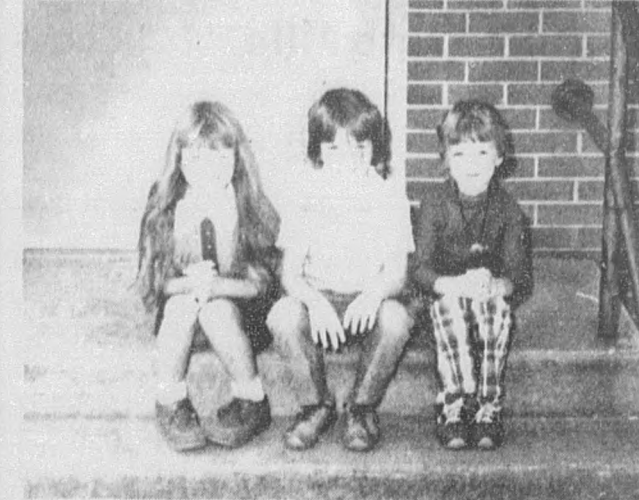

The outstanding players for the Termite Win over Straughn were Wayne Martin, Richie Rugg, Darren Grant, and Ashley Jirright. Wayne Martin intercepted a pass to set up a 65 yard run by Richie Rugg who scored the Termite's 6 points.

Majorities Ginger Green, Smith, Teresa Armstrong, Goodson, Dana Dean, and Connie Flowers, Brenda Moberly, Sheila Rugg, Kim

Little Mr. and Misses Wendy Bowdoin, Todd Rugg, and Stephanie Goodson.

### Little Mr. & Misses Chosen

BY: Denise Fuller and Jan Sanders

The Elementary School has selected Miss Wendy Bowdoin and Miss Stephanie Goodson as Little Misses Zion Chapel. Todd Rugg was selected Little Mr. Zion Chapel. Wendy is the daughter of Mr. and Mrs. Bob Bowdoin, Stephanie is the daughter of Mr. and Mrs. Roger Goodson, and Todd is the son of Mr. and Mrs. Rudy Rugg. Wendy and Stephanie, dressed in

beautiful red dresses carrying lovely hand bouquets, and Todd, very grown up in his suit and tie, were presented during half-time ceremonies at the homecoming football game. Wendy and Stephanie were crowned by last year's Little Miss Sandy Flowers. Todd was presented an engraved identification bracelet by last year's Little Mr. Randy Flowers.

### Guess Who

The face is just the same and someday she'll be old enough to woo--but only to the seventh grade this year she came!

### Pee Wee

### Football Players

Pee Wee Football Players Michael Hill, Keith Bell, Scotty Jirright, James McClain, Rodney Pittman, Doyle Smart, Kenneth Sanders, Kevin Flowers, David Rainey, Wade Flowers, Chip Kelley, Danny Parker, Tony Faulkner, (not pictured); Mark Storey, Steve Rugg, Tony Shiver, Bobby Flowers, (not pictured); Junior Henderson, Jeff White, Dewayne Chancellor, Larry Sawyer, Tim Brunson, Craig Flowers, Tamy Maddox and Robert Routzong.

### Find The Missing Person

7th--Enjoys P.E. 4th period. Hardly stops talking. Initials M. J. M.

8th--Boy, sandy blonde hair, has a lot of brothers and sisters. Initials K. F.

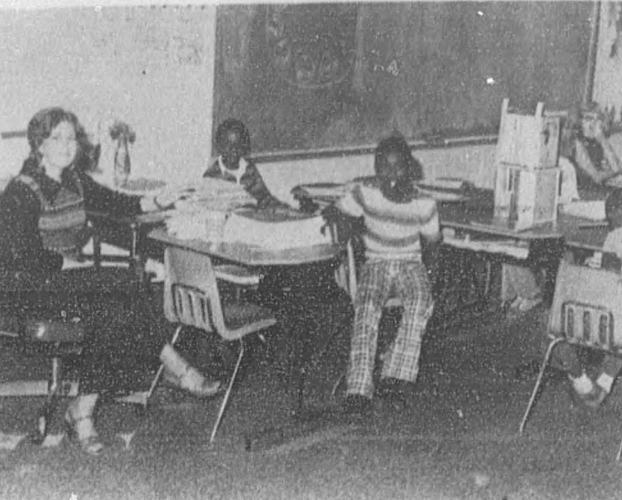

9th--Boy with sweet personality. Called George Wallace.

10th--Girl with black hair and green eyes. Crazy! Initials E. C.

11th--Blonde haired girl who just got a promise ring. Initials D. S.

12th--Girl with brown hair. Has a Mus/Hoss.

Affraid of strangers? That particular phobia is called, "Xenophobia."

Third Grade and Miss Johnson.

### News From The Young Rebels

The Third Grade Class at Zion Chapel Elementary School is made up of thirty-one students, sixteen boys and fifteen girls. Students are very excited about the school year and its activities.

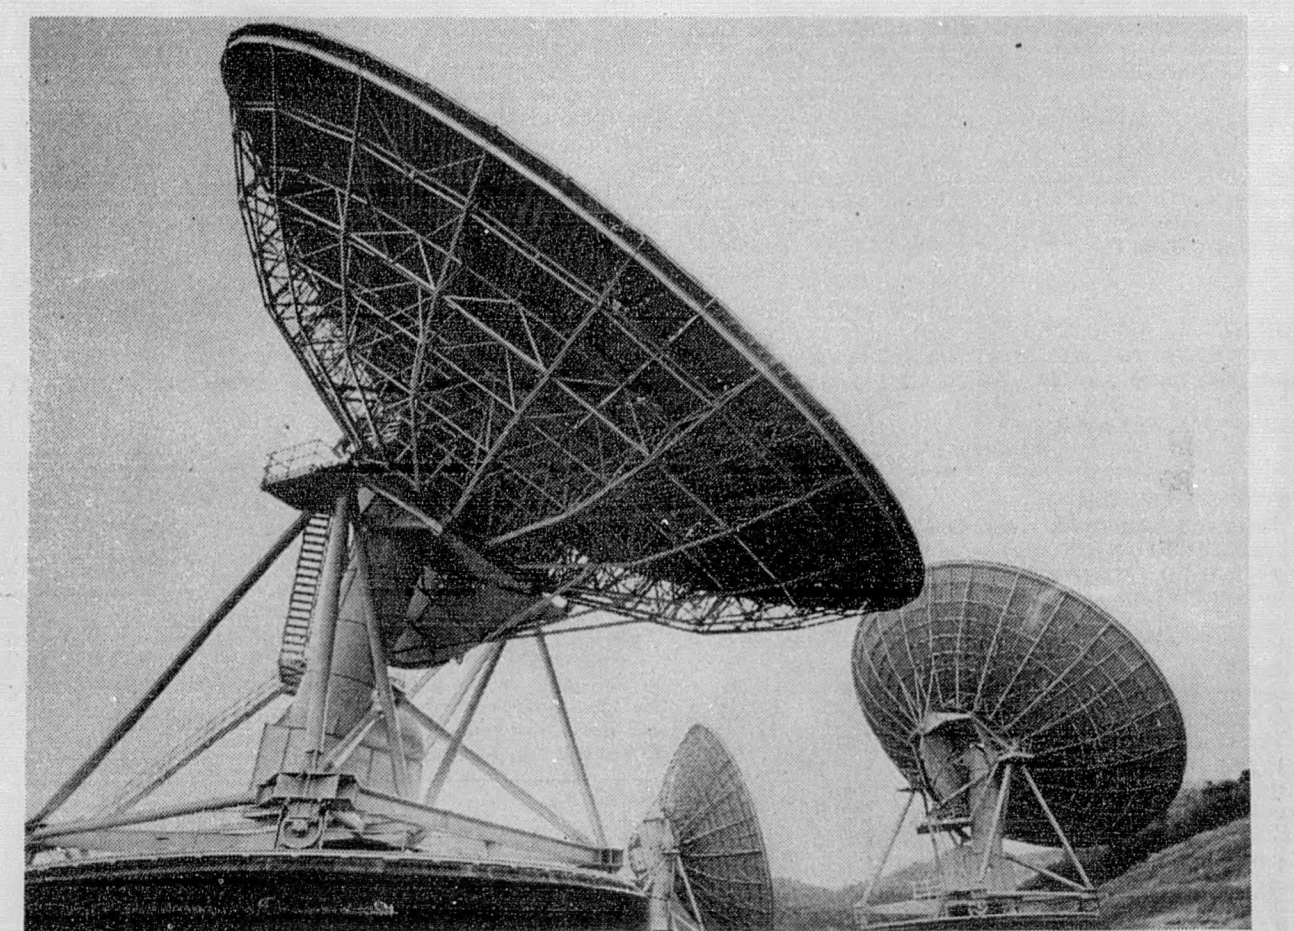

In social studies they have been studying the United States and its flag and the meanings of the stripes and stars. The class is also studying the discovery of America and the growth of this great nation. They are looking forward to a very exciting year under the direction of Miss Betty Johnson.

## Who goes out of this world for you?

We do... General Telephone. Twenty thousand miles out, and more. It's part of an almost-quarter-billion-dollar project that makes it easier for you to make long-distance phone calls. What you see here is one of the earth stations that are part of the system. It beams calls--18,000 at a clip--to a satellite hovering more than 20,000 miles above the equator. At the same time, it gathers in the same number of calls, and sends them out over our regular phone lines.

It's part of the incredibly complex telephone system that's just about the most effective and efficient communications system the world has ever seen.

And it has reliability built in, whether it's an earth station talking to outer space--or a cute little telephone that's built like Mickey Mouse. Because we realize how important it is to keep you in touch with your world. We spend hundreds of millions of dollars every year, making sure that when you pick up your phone... it works.

We keep you talking.

## Views From The Pressbox

By Ricky Mularz, Sports Editor

Only a couple of years ago, a speedy sophomore running back named Larry Phillips excited the local fans by gaining 144 yards in 168 carries. A record many people thought would never be broken. Well, that record lasted only two years!

Don Horstead, Elba's newest "Sophomore Sensation," rushed for 176 yards last week to surpass Phillips' record. Horstead, in only 8 games, has gained 182 yards in 127 carries and has picked up where Phillips left off. Don has also scored 14 touchdowns, six more than Phillips during his sophomore year. Don is a very likeable young man that is improving on the football field each week. He has the potential to accomplish many things on the gridiron and let his athletic abilities open many doors for him. I congratulate Don on his new record and hope he sets many more before he hangs up his cleats!

Elba surprised me last week with the ease at which they beat Ashford. Ashford didn't have a real good record, but they weren't that bad a team. The Tigers simply rose up and did their jobs and the result was the win. Elba is not loaded down with talent, but they have men who want to win and will work until they reach that goal. We've got two games left, and it sure would be nice to close out the year with two big wins!

I went to Valdosta, GA last week to cover the band's trip and to be honest, I'm glad it's over! We left at 3:30 a.m. Saturday morning and drove for 4 hours thru the fog, road construction and a sweet smelling paper mill. When we finally got to Valdosta I figured that the best way to find out where the marching contest was being held would be to stop and ask. Wrong! After two gas station attendants told me exactly opposite directions, I was totally lost, and decided to try it once more time. This time the directions were right, and we found the place called Dade Valley. Anyway, Elba's band did real well and all received a superior rating. In the way, Elba's band has never received anything but superior ratings. They might have a longer winning streak than Andalusia's football team!

In local football action, everything went according to plan, except Troy finally won. The Trojans upset Dale County and should make it two in-a-row this week against Geneva. Andalusia had a scare but came from behind to outscore Ozark 43-23. The Bulldogs' defense is apparently a little weak, but when your offense scores over 40 points a game, what difference does it make?

Zion Chapel bombed Clayton 40-0 and have one of the top Class A teams around. The Robs can prove their strength by winning their next three games, all against good teams. Laverne's playoff hopes bit the dust last week when they lost to Georgia. The Tigers now have two chances—slim and none!

The football season is finally over and all the winners have been crowned. The new champions are: Mox's Major Industrial Slow Pitch—C. E. Waves of Louisville, KY; Mox's 16 inch Slow Pitch—Roberts of Chicago, IL; Mox's Class A Industrial Slow Pitch—Pabody Coal of Rockport, KY; Mox's Class A Slow Pitch—Port City Ford Weekers of Houston, TX; The Women's Slow Pitch team, were the Miami Dolphins of Miami, FL.

Ye ole Polish Prognosticator is still celebrating about the Polish Pops, and he will attempt to foresee the outcome of this week's games. Last week's results were 20-5 (89%), not bad, but my girlfriend hit 23 of 28! Here goes...

### ELBA VS. DALEVILLE

The Tigers won three games in a row early in the year, and then lost their next two. Well, they've won three in a row again. Does that mean...I don't think so! Elba 32.....Daleville 14

### OPP VS. T. R. MILLER

A battle of underdogs over in Opp. It should be quite a game with two strong teams battling it out. I'm picking Miller in a squeaker! T. R. Miller 20.....Opp 17

### BRANTLEY VS. HIGHLAND HOME

It's "winner take all" in this Class A match up with the victor going to the playoffs. I've got a feeling an upset could be brewing, but I'm picking the Dogs! Brantley 20.....Highland Home 6

### KINSTON VS. ZION CHAPEL

These two cross-county rivals should butt heads in a hard-hitting game. Kinston has the home field advantage, but the Rebels have too many weapons! Zion Chapel 26.....Kinston 12

### OTHER PICKS

## Coach Wood Labels Daleville "A Very Physical Team"

The Elba Tigers, riding a three game winning streak, are at home again this week when they host the Daleville Warhawks, a newcomer to the Tiger schedule. Kick off at Tiger Stadium is set for 7:30 p.m. Coach Mack Wood, who has coached the Warhawks for three years and four seasons. The Warhawks have defeated Abbeville, Wicksburg and Cottonwood, and have lost to Laverne, Geneva, Slocumb and Headland.

The Daleville offense is paced by the running of Rodrick Simons who has gained 223 yards in only 35 carries and has scored 5 touchdowns. Harold Dulaup, the other Daleville running back, has picked up 255 yards in 42 carries, an average of 6 yards a carry. When Daleville goes to the air, the man doing the pushing is quarterback Lyster Dulaup. Dulaup has completed 12 of

36 passes for 154 yards and one touchdown. Dulaup's favorite target is Brian Aris, who is averaging 35 yards per catch. Defensively, the Warhawks rank among the tops in the South Alabama Conference. Linebacker Steve Freeman leads the way with 53 tackles and 28 assists, followed by tackle Mark Thomas with 49 tackles and 22 assists. Daleville has 10 players that rank among the top 30 tacklers in the SAC.

"We feel like Daleville has got a good football team," said Elba Coach Mack Wood, "and we're looking for a tough game. They only have about 25 boys, and they have a lot of people going both ways, but they are real strong and have a very physical team."

Offensively, they run a wishbone and have two outstanding runners and two good quarterbacks," said Wood. "They run a lot of sweeps and power

plays and just try to run the ball down your throat. They've got a good defense and have two good linebackers that pursue real well. On defense they're big and strong and get after folks."

"For us to win, we'll have to have a good mental attitude and be ready to play," said Wood. "We can't look past them or we could get beat. Our offense will have to be sharp in blocking and moving the ball on the ground. Our defense will have to be aggressive and not miss tackles. We expect a tough game, but I think we'll be ready."

Looking back to the Tigers' 41-6 win over Ashford, Wood said, "I was real proud of the team. They had a job to do, and they went out and did it. We showed good quickness and speed and looked good. It was a good win."

## SPORTS

### Horstead, Marler and Wood Continue To Lead S.A.C. Grid Stats

The South Alabama Conference has slowed down in updating its football statistics, but in the latest stats dated Sept. 29, Elba continues to dominate the individual categories.

The leading rusher (thru Sept. 29) was Elba's Don Horstead with 811 yards on 91 carries and 9 touchdowns. A close second is Opp's Douglas Stoudemire with 794 yards in 96 carries. Roundout the top 5 are Andalusia's Sam Henderson with 501 yards and Troy's Bobby Darity with 354 yards.

Among defensive backs, the leader was Daleville's Harold Dulaup with 49 tackles and 28 assists. Elba leaders were (7) Todd Westbrook with 16 tackles and 7 assists and (9) Alan King with 14 tackles and 4 assists.

The leader among line backers was Elba's Russ Wood with 53 tackles and 30 assists. In third place was Greg Ellenburg with 47 tackles and 29 assists.

Russ Wood had moved atop the receiver's poll with 11 catches for 195 yards and 1 touchdown. Perry Fuller slipped to second with 9 catches for 163 yards and 2 touchdowns. Elba had 3 players in the top 10 in scoring, which was a first for the school.

This defensive standouts have helped the Zion Chapel Rebels roll to a 5-2 record and have shut-out two straight opponents. Pictured are, front row (l-r) Hayes White-55, Scott Costner -53, Don Sem-61 and Boyd Deal-53. Back row (l-r) Keith Costner-30, Chris Sanders-54, Leslie Hussey-46 and Corky Ward-22.

## Rebels Crush Clayton 40-0

The Zion Chapel Rebels upped their record to 5-2 last week by rolling to a lopsided 40-0 win over the Clayton Tigers in Clayton.

The Rebel offense rolled almost at will on the Clayton defense and scored 10 touchdowns. The PAT failed, but with 6:31 left in the first quarter Zion Chapel was ahead for good at 10-0.

The Rebels' lead went to 12-0 midway thru the second stanza on a 1-yard run by Ward. Ward, a senior, set up the tally with a 37 yard punt return. Zion Chapel made the score 20-0 late in the half when Corky Ward tallied on an eight yard dash. Marler passed to Byron Foley for the two-point conversion to make the score 22-0.

Zion Chapel kicked off to open the game and held Clayton to a 6 yard run by Ward. Ward took the second half kick on the five yardline and found clear sailing as he rammed 51 yards to the Clayton 44. On the very first play, Marler hit Foley with a 44 yard scoring toss to up the Rebel scoring to 22-0.

The Elba Country Club will hold its first annual Invitational Four-Ball Tournament on Saturday and Sunday, October 28-29.

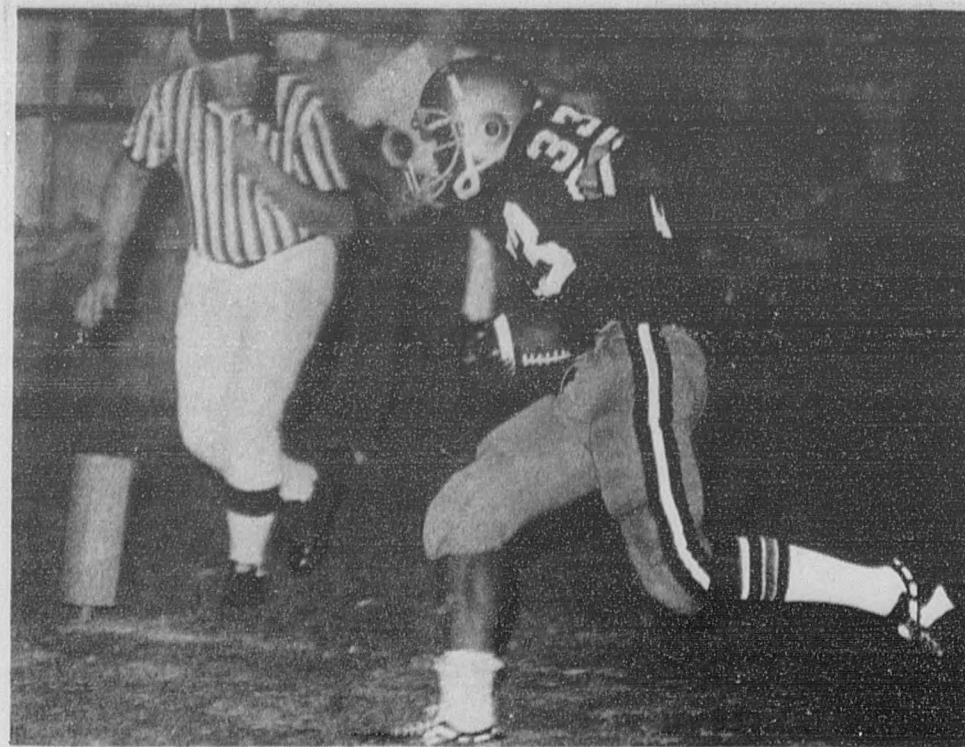

Entry fee for the event will be \$60 per team, including 48 teams will be accepted. Entries will be accepted up to the day of the tourney, and teams may be entered by contacting Johnny Martin at 897-8600 or 897-5084.

A dance will be held on Saturday night, October 28, and it will be open to all club members and tourney participants.

The Elba Country Club course will play to par 70 for the tourney, with number six being played as a par 4. Cash prizes will be awarded to all winners.

Elba's Don Horstead (33) crosses the goal line as the Tigers jump to an early 7-0 lead. Horstead, a sophomore, has rushed for 1162 yards in 127 carries and has scored 14 touchdowns in leading Elba to a 6-2 record.

Homecoming Queen Lynn Whitehurst can't help but cheer as Tigers game into a rout.

Defensive-back Todd Westbrook (20) heads upfield after intercepting an errant Ashford pass.

## Tigers Breeze Past Ashford 41-6

The Elba Tigers gave a large Homecoming crowd plenty to cheer about last Friday night as they breezed to a surprisingly easy 41-6 win over the Ashford Yellowjackets.

The win upped Elba's record to 6-2, overall, and 3-1 in the Area, while Ashford's chart slipped to 2-5.

Elba received the opening kick and after a fine return by Perry Fuller put the ball in play on the Elba 46-yard line. On the initial play from scrimmage, quarterback Marty Marler got the Tigers moving hitting Perry Fuller on a 27-yard pass play. Two plays later Don Horstead got the call and rammed 20-yards for a touchdown. Gary Bradshaw, filling in for injured kicker Alan King, hit on the extra-point attempt to give Elba a 7-0 lead with only 2:12 gone in the game.

Ashford couldn't move against the Elba defense and was forced to punt. The Tigers again moved forward, but were stopped by a pass interception at the Ashford 27. The Elba defense again

intercepted a pass. This time the Tigers were back in business at the 34-yardline. Don Horstead broke loose on a 23-yard scamper on the next play and one play later the "sophomore tailback" bulled over from 8-yards out for another score. Bradshaw added the extra-point to make it 14-0. The 1:29 left in the first quarter and the rout was underway!

Ashford began to show signs of life on their next possession and moved to the Elba 20-yardline. However, the Tiger defense stopped the threat when defensive-end Gary Bradshaw recovered an Ashford fumble. The Tigers then began an 80-yard march that would take 10-plays and result in another Elba touchdown. The drive came entirely on the ground with Don Horstead covering 65-yards in 4 carries and 3 touchdowns. Horstead notched the score on a 21-yard run and following Bradshaw's extra-point Elba was ahead 21-0 with 5:53 left in the half.

Ashford refused to quit and woke-up the Tigers by marching to a first down on the Tigers 8-yardline. The defense stiffened and on fourth down an attempted pass was batted up by a lineman and picked-off by tackle Doug Daniels. The half ended

with a 29-yard run by Ray Trawick. The Elba running attack was paced by Don Horstead, who gained 176-yards in 15 carries, for an average of over 11-yards per carry. Mike Harr-

elba's defense held Ashford to only one touchdown as they posted a 41-6 Homecoming win.

one-play later with Elba owning a commanding 21-0 lead. The two teams swapped punts early in the third quarter, with Elba's punt being a 54-yarder by Danny Baxley. Ashford couldn't move on its second possession of the half and again punted. Elba's Perry Fuller caught the punt on the 46-yardline, faked a reverse to Don Horstead and took-off down the sideline on a 46-yard touchdown jump. A bad snap resulted in a missed conversion attempt, but with 6:10 left in the third quarter the Tigers led was up to 27-0.

Ashford received the ensuing kick, but kept the ball for only one-play before line-backer Greg Ellenburg intercepted a pass. This time the Tigers drove 83-yards in 10-plays with Don Horstead and Mike Harrelson sharing the running scores. Harrelson scored the touchdown on a 4-yard run and Bradshaw added the PAT to give Elba a lopsided 41-0 lead with 5:51 left in the game.

Elba's Coach Mack Wood sent in the reserves following the touchdown, and the Yellow-jackets moved down the field to score their only touchdown of the night. The tally came with 5:51 left in the game on a 29-yard run by Ray Trawick.

At the final horn the scoreboard showed Elba with the upper hand, 41-6, and it was time to celebrate Homecoming!

Tiger defensive-back Vince Bowers (21) drags down an Ashford runner for a short gain. Elba's defense held Ashford to only one touchdown as they posted a 41-6 Homecoming win.

Elba's Head Football Coach Mack Wood discusses action with his son, Russ Wood (89). Russ, a senior, leads the S.A.C. in two categories and is a standout for the Tigers. Coach Wood, in his second year at the Elba helm, has led the Tigers to a 12-6 record.

Jeff Stewart presents flowers and loving cup to Teresa Smith, who was named the "Football Sweetheart for 1978."

Chris English (87) looks for blockers after fielding a punt in second half action.

# Elba High Homecoming - 1978

A special lens provides a bird's-eye view of the Coronation Ceremonies held Friday morning before the Elba High student body.

The Elba Junior B Team Cheerleaders won first place with float entitled "Take The Sting Out Of The Yellowjackets."

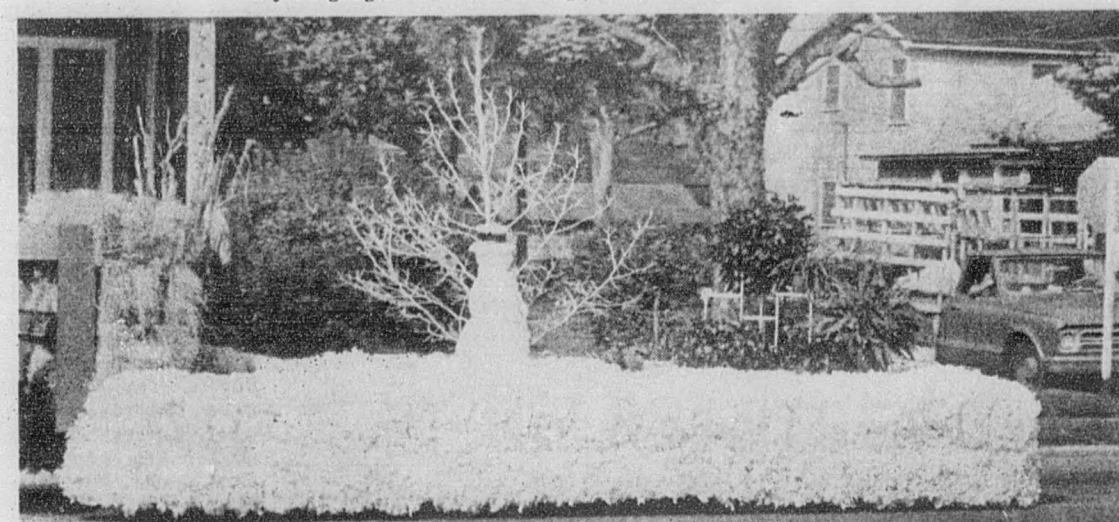

Another prize winning float, this one entered by the 8th grade shows a stork and is entitled "Tigers are Expecting A Victory."

Spectators were all over Elba to watch the annual Homecoming parade.

Lovely Queen Lynn Whitehurst sits atop her float as the day's highlight - the Homecoming parade - begins.

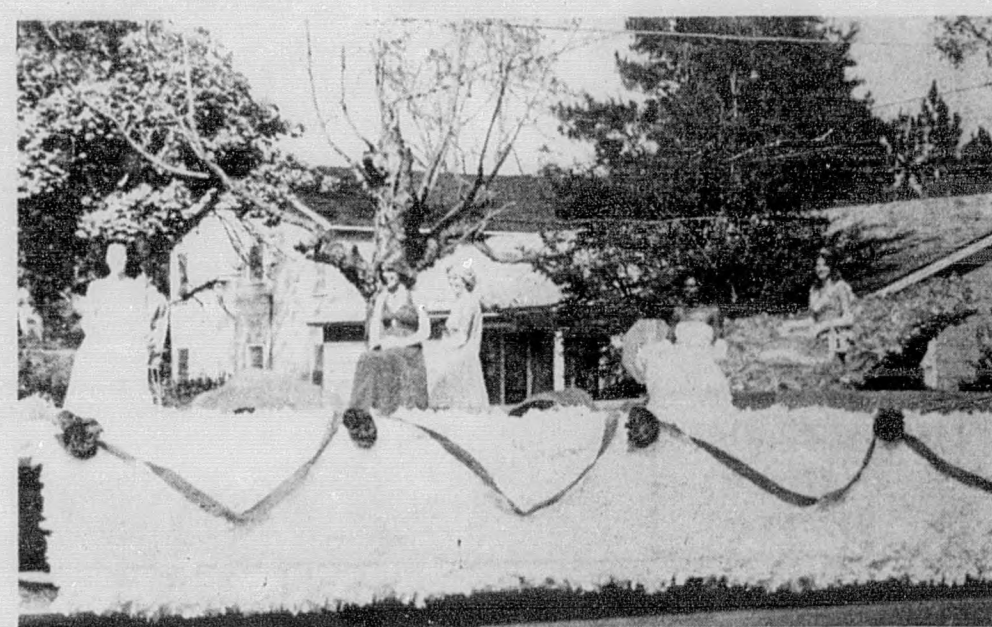

This float, entered by the Three Season's Study Club, won first place in a category. The float states "Support Tigers Any Season."

The Elba High Cheerleaders are "Fired Up" about the upcoming homecoming clash.

Brownie Troop 455 waves to crowd lining the streets.

Queen Lynn Whitehurst and her court reign over the parade. Her court included Sondra Daniels, Betsy Brunson, Nita Calhoun, Julie Mauldin and Patty Williams.

This pony and cart added to the colorful parade.

Brownie Troop 268 enjoyed the parade.

## Homecoming Continued

Miss Elba - Jama Lewis added beauty to the Homecoming parade.

A pretty face in the parade was Little Miss Elba - Deana Kyle.

Elba's Jaycees cruised along the parade route in an antique truck and seemed to have the homecoming spirit.

The Marching Tiger Band gave its usual performance at the parade.

These Brownie scouts waved to everyone all along the parade route.

The 7th grade float urged the Tigers to "Jar The Jackets."

This car was the entry of Senior Girl Scout troop 300. Driving is Susie Bruce and riding on top are Patricia Rogers and Tammy Padgett.

More Brownie Scouts - these are from "Pawnee 441"

Paying a visit to the parade was the New Brockton "Marching Gamecock" band.

Pee Wee football team and their cheerleaders enjoyed riding in the parade.

A local restaurant went all out in decorating for homecoming.

## Mrs. Warr And Mrs. Strong Entertain Music Lovers

The Music Lovers Club met on Thursday, October 12, at 3:30 at the First Baptist Church. Mrs. E. M. Warr and Mrs. Kenneth Strong were hostesses. Delicious refreshments were served. Mrs. George L. Collier called the meeting to order and welcomed the members and guests. The roll was called and minutes of the last meeting were read by Mrs. Noa Cooper, Secretary. Among

the items of business acted upon was a donation by the Club to the St. Jude Hospital Fund for the treatment of children. Members present were Mrs. George L. Collier, Mrs. Lamar Vaughan, Mrs. K. W. Anderson, Mr. and Mrs. John Lowery, Mrs. Edwin Cooper, Miss Sherry Cooper, Miss Jeanette Garrett, Mrs. E. M. Warr, Mrs. Kenneth Strong, Mrs. Kimmy Ham, Mrs.

Paul King, Mrs. Mark Holt, Mrs. George L. Collier, Mrs. Cecil Prescott, Mrs. Nellie Martin, Mrs. Linda Vaughn, and Mrs. Bob Lee, Dr. and Mrs. Kimmy and Mrs. Pauline Allen were guests of the Club. After the business meeting, the group went from the social hall into the sanctuary. Mrs. Lois Holt presented an organ piano duo by Janet King and Ella Kate Ham, with Mrs. King at the organ and Mrs. Ham at the piano. The following compositions were beautifully performed and enjoyed by everyone.

"Largo," by Handel, "The Heavens are Telling," by Haydn, "March," by Beethoven, "Liebestraum," by Debussy. The next meeting will be held on November 19th in the home of Mrs. Lister Brunson.

## Mrs. Lenora Kennett Honored On Birthday

A most enjoyable cook-out was hosted by Gene and Charles Kennett at their home on North Claxton Avenue Tuesday evening October 10, 1978 commemorating the 75th birthday of his mother, Mrs. Lenora Kennett.

It was especially nice for Mrs. Kennett since she had the pleasure of having both her children, Charles and Betty from California together for the first time in several years to help her celebrate, with the joy of having other family members sharing in the festivities with her. They were Mr. and Mrs. E. G. Peoples (brother and wife), Sand Springs, OK; Jerry Shelton (son-in-law) Sunnyvale, CA; Mr. and Mrs. Winston Brunson (granddaughter) and their three children, Lynn, David, and Michael from Enterprise, Mr. and Mrs. Ricky Kennett from Opp and his children Shawn and Sherry Kennett from Elba.

The October meeting was held at the home of Suzanne Stokes, with Mrs. Pam Baker serving as co-hostess. Mrs. Stokes, the club president, presided and welcomed the members.

The business meeting was held at the home of Suzanne Stokes, president. Refreshments were served by Mrs. Adkinson and Miss Tucker. Afterward, the meeting was adjourned.

New Era Jr. Woman's Club members are: Charlotte Adkinson, Pam Baker, Harriet Boyd, Beth DuBoise, June Grantham, Sylvia Hudson, Jackie McCall, Patricia Nicholson, Martha Oges, Errol Russell, Elaine Shirley, Suzanne Stokes, Peggy Storey, Sara Strong, Diane Taylor, Shirley Tucker and Barbara Vaughan.

## Azalea Garden Club Holds News

The October meeting of the Azalea Garden Club was held at the home of Mrs. Oscar Vaughan, Jr., with Mrs. Robert Lee as co-hostess. The eighteen members and three guests who attended were greeted with a hint of Autumn at the entry which was hung with a large wreath in fall colors. Inside were large arrangements of brilliantly colored zinnias.

The hostesses served from a beautifully appointed tea table. Hot punch in a silver punch bowl and individual pumpkin pies carried out the fall theme.

Mrs. Kasper Anderson presented Mrs. Florry Whitman who gave devotional thoughts "Watered Lillies." She introduced Mrs. Dan Presley of the Coffee County Extension Service, who gave hints and ideas on landscaping. He urged the careful consideration of plants and stressed the importance of proper maintenance. At the conclusion of his talk, he presented informative brochures to each member.

Mrs. Jim Boyce and Mrs. Bruno Santa Rosa were guests of the club.

## Personals

For the wedding of their son, Sammie Michael Maddox to Tammie Brunson, an event of October 5th, Mr. and Mrs. Paul Maddox had as their guests: Mr. and Mrs. James Graham, Columbus, Ga.; Mrs. Martha J. Haron, Columbus, Ga.; Mrs. Wynell Gowers, Phenix City, AL; Mrs. Margie Dailley, Jimmy and Kristie, Phenix City, AL; Mr. and Mrs. Jerry Jacobs and Kelli, also of Phenix City; Mr. and Mrs. Dick Maddox, and Michael, Pace, FL; Miss Kathy Maddox, Auburn University, Auburn, AL.

Mrs. W.H. Whitman of Greenville, Alabama, visited her daughter-in-law, Mrs. Ann Whitman, and four grandchildren - Shelly Smith, Kathy, Kim and Peggy Whitman, and great-grandchild, Chad, last weekend. Mrs. Whitman attended the homecoming parade and ball game and on Saturday, went to Valdosta, Ga., to watch the Tiger band compete.

Mr. and Mrs. Harold Hazen visited their son and daughter-in-law, Hal and Sharon Hazen, in Houston, Texas last week. Mrs. John B. Clark accompanied them to visit her grandson Hal and his wife.

Hal is employed with Fluor Engineers and Constructors in Houston, and will be leaving soon on a job-connected two month trip to Saudi Arabia.

Mr. and Mrs. Felon Blackburn of Clairmont, FL visited Mr. and Mrs. Jess Morris and Mrs. Louise Coppage.

Mr. and Mrs. Jess Morris and Mrs. Louise Coppage.

Mr. and Mrs. Jess Morris and Mrs. Louise Coppage.

Mr. and Mrs. Jess Morris and Mrs. Louise Coppage.

Mr. and Mrs. Jess Morris and Mrs. Louise Coppage.
